Letter of Recommendation for Jazner Pajarin

I am pleased to provide a recommendation for **Jazner Pajarin** has worked with our department for more than two years.

My name is Darryl Kimak – Manager of the Client Services Representative and Hardware Support for Brigham Young University Information Technology Operations. IT Operations is comprised of the University Call Center, Client Services and Hardware Support, Media Services and Academic Computing Lab Area. As the main supporting arm for technology at BYU-Hawaii, we maintain over 1800 workstations (both Windows and Apple compatibility) and more than 2500 customers on our campus. We select the very best to work with us to fulfill the technological needs of the campus.

During this time, Jazner has worked as one of the Client Services Representative Technical Consultant (Student CSR Technical Consultant). His tasks and responsibilities were to configure, and install hardware (LAN Cards, Motherboard and I/O Devices), software (Windows, MS Office Suite and essential drivers and programs as required) of individual PCs and printers. In addition, he also troubleshoots basic networking issues such as wireless and LAN connections.

There are several characteristics of Jazner displays that make him a valued employee. He was always careful, hardworking and enthusiastic. I am especially impressed with his dependability. I am able to leave projects in his care and be sure that they will always get done on time. Jazner has a strong self-motivation and I have never had to remind him about a task given to him. I found Jazner to be a reliable young man, who uses his honesty in all situations. He has the aptitude to converse well to all staff and our customers on all levels. He has a strong ethical and moral character. He can be trusted to do the right thing at all time.

Jazner has been a pleasure to work with and I wish him all the victory for the future. I am confident he will be successful in any future endeavor he pursues.

Thank you for your kind consideration of him.

Sincerely,

A handwritten signature in black ink, appearing to read "Darryl Kimak".
