WORK HISTORY

Client Services Supervisor - Bruntwork (November 4, 2021 - December 9, 2022)

- Support: Provide the resources, authority, training, and support necessary for VAs to deliver consistent high performance.
- Guide: Direct our VAs to work on areas for improvement and reinforce strengths to sustain the VAs' progress.
- Track: Monitor client-VA partnership health, intervening when there are performance/ quality issues.
- Help prepare VAs and build their confidence in working with their clients, and setting them up for success in the long term:
- VA onboarding: Create an onboarding plan (a.k.a. 10x Launch Plan) based on the clients' delegation needs, and effectively walk the VA through it.
- VA nesting: Find ways to make our new VAs feel ready and confident to start working with their clients, including providing resources and 1:1 coaching based on areas for improvement.
- Give VAs clear, timely, and actionable feedback based on client surveys and client feedback as relayed to the client concierge (if there's any)
- Help VAs build and improve their skills by teaching relevant skills, tactics, and techniques.
- Follow up on coaching sessions in a timely manner
- Continuous Improvement: How do we set our VAs up for success
- Playbook Feedback: Collate and communicate VAs' feedback to the Product Experience team so they can refine playbooks or create new playbooks for growing client needs, and identify the tools and systems that VAs need to help them become successful.
- VA Feedback: Collate and communicate VAs' skill gaps to optimize our training and recruitment processes.
- Recruitment - Share feedback with Recruitment Team so they can reassess sourcing and hiring strategies.
- Training - Share feedback with Training Team so they can identify the VAs' training needs and develop effective training programs accordingly.

Team Leader - Green Thumb Technologies Corporation (March 4, 2019 - October 25, 2021)
