ABOUT ME

In order to succeed and grow as a person, you must be able to accept challenges and go outside your comfort zone. I am currently a public school teacher that is aiming to shift career to tech industry in order for me to grow and to do what I love (which is coding). I always love challenges and new experiences.

- **Zuitt Coding Camp (February 6 - Present)**
- **Technological University of the Philippines (2011-2015)**

Bachelor of Science in Industrial Education Major in Computer Education

- **Parañaque National High School (2007-2011)**
- **Kalayaan Elementary School (2004-2006)**
