Good day,

I am writing to let you know that I am very interested in the position of Customer Associate in your business.

As an enthusiastic individual who is ready to take on new challenges. Since my work experience is largely related to marketing and promotional activities, I believe this position would provide a great opportunity for my chosen career and I have a lot to contribute to your company. My willingness to work hard and build my skill base will make me a good candidate for the job.

If hired as a Customer Associate, I would be able to add value to your team immediately. My resume is attached for your reference and I am available to interview at your convenience.

Thank you for considering my application. I look forward to hearing from you!
