

ANERO ERICK ALFRED

Frontend Developer

Experienced frontend developer with a strong track record of designing and building interactive and responsive web applications. With five years of industry expertise, I have honed my skills in crafting elegant and performant user interfaces using cutting-edge technologies such as React.js, Next.js and Typescript. With a keen eye for detail and a focus on user-centric design, I am dedicated to delivering high-quality solutions that exceed client and user expectations.

Skills

Frontend Technologies:

- HTML, CSS
- Javascript
- JQuery
- ReactJS, NextJS
- Typescript
- SCSS / Less
- Bootstrap, AntDesgin
- API Integration

Backend Technologies:

- PHP
- Laravel
- MySQL

Other Skills:

- Version Control / Git
- Photoshop / Figma
- Page Responsiveness

Education

Gardner College 2013 - 2017

Bachelor Of Science in
Information Technology

Experience

Frontend Developer

Feb 2022 - Nov 2023

Waybr.io

- Enhanced the product's feature set to meet market demands and boost user engagement.
- Collaborated effectively with cross-functional teams, including SCRUM/Release Management and Quality Assurance.
- Write efficient, well-designed code and maintain software documentation.
- Demonstrated strong front-end development skills and Typescript proficiency.
- Rigorously tested and debugged web applications to ensure cross-browser compatibility, guaranteeing that they performed consistently on different web browsers.
- Ensured that web applications were fully responsive and optimized for a variety of devices, providing a seamless user experience across desktops, tablets, and mobile devices.

Web Developer

Jun 2018 - Feb 2022

StunnerYPP Corporation

- Improved, maintained and extended functionality for existing websites and internal apps.
- Contributed to software design and coding, collaborating with senior team members and leaders.
- Utilized HTML, CSS, Javascript and JQuery to create responsive pages for both company and partners.
- Collaborated with UI team members and leaders to revamp partner's website which increased clicks and visits by 35%.
- Maintained graphic standards and branding throughout the product's interfaces.
- Optimized web pages graphics, coding structures and application performance and reducing load time by 20%.

Expertise

Frontend Frameworks:

Proficiency in frontend frameworks such as React.Js, Next.Js and Typescript, and the ability to build complex user interfaces and interactive web applications.

Responsive Design:

Expertise in creating responsive web designs that adapt seamlessly to various screen sizes and devices.

Cross-Browser Compatibility:

Ensuring that web applications work consistently across different web browsers.

Accessibility:

Knowledge of web accessibility standards (WCAG) and the ability to create websites and applications that are accessible to people with disabilities.

API Integration:

Experience in integrating with various APIs to retrieve and display data on web applications.

UI/X Design Principles:

Knowledge of user interface and user experience design principles to create visually appealing and user- friendly interfaces.

Training

Web Development Training Oct 2016 - Apr 2017 Zuit Coding Bootcamp

Successfully completed a comprehensive 6-month intensive training program that was structured into three distinct milestones.

- 1st Milestone: Acquired proficiency front-end technologies including HTML, CS, and JavaScript, enhancing my web development skills..
- 2nd Milestone: Leveraged the knowledge gained in the first milestone to seamlessly integrate back-end functionality using PHP, broadening my capabilities in building dynamic web applications.
- 3rd Milestone: Mastered the Laravel Framework to combine front-end and back- end expertise, enabling me to develop robust and efficient web solutions.

This well-structured training program equipped me with diverse skill set to excel in web development.

Awards

Zuitt Coding Bootcamp Awardee

- 2nd Top Performer
- Student Best Able To Teach Others Award
- Most Likely To Establish Own Startup Award
