John Lois A. Santos

Seeking a position in which my interest in the web development field will be challenged; fostering new career opportunities and enhancing my skills.

WORK EXPERIENCE

Junior Full Stack Web Developer (June 2023 - December 2023)

Jeonsoft Corporation

- Building and maintaining legacy codes.
- Creating custom solutions layouts for clients from various projects using RESTful APIs, Ruby on Rails, and Node.js API.
- Focusing on writing efficient, high-quality code to enhance application speed.
- Creating new functions and stored procedures using features of MSSQL.
- Optimizing application speed for improved performance.

Junior Full Stack Web Developer (January 2022- June 2023)

Sonickroft

- Develop innovative website functionalities and features using Angular and TypeScript, seamlessly integrating them with RESTful APIs and utilizing NGRX for state management.
- Utilize Firebase as the underlying database, addressing errors and system glitches through rigorous debugging processes.
- Construct clean, reusable, and well-documented code to ensure codebase maintainability.
- The platform of choice for deployment is Azure Microsoft, where endpoints are created and updated in alignment with client needs.

Legal Admin (March 2021 — December 2022)

DBC Philippines

- Dealing with a multi-jurisdictional state in Victoria, South Australia, Queensland, Tasmania, Western Australia, and New South Wales.
- Entering data from the contract into Action Step.
- Creating first suite documents and post-settlement correspondence for the customer.
- Reviewing contracts from various states before referring them to a lawyer.
- Creating matters coming from the salesperson.
- Assigning tasks to paralegals in an equitable manner.

Sales Supervisor (February 2021 - May 2021)

Realme Philippines

- Manage and direct the sales promoter.
- Keep track of the sales cause and treatments.
- Stock inventory from various stores and replenish as necessary.
- Team peptalk to boost morale and remind them of their numbers.
- Reporting in how the week went to the Regional Sales Manager.
- Dealing with customer.
