INTERNSHIP (EXPERIENCE)

Cobra ITech Services Corporation Philippines

Role: Full-Stack Web Developer - Intern
April 2023 - November 2023

Developed and implemented an attendance system website and a WordPress-based Law Firm Website for Cobra ITech. Managed training materials on the Cobra ITech Moodle website and contributed to the development team through writing clean, sustainable code, creating technical documentation, and fostering clear communication for effective task completion. Utilized coding expertise to link retail elements to databases, ensuring the development of high-functioning web applications.
